Title: Say it in Styles **Tutor:** David Simons

Say it in Styles – An introduction to the art of drawing letters in a creative way. We will look at how letters can be drawn to help convey messages. With limitless possibilities 'Hand Lettering' can allow you to free yourself from structured calligraphic styles and be a little more adventurous. Simple graphics can be incorporated to fill awkward gaps. Holding devices for words, and patterns within the letters can be used to embellish the overall design. We will explore the avenues of these techniques during the day and use that knowledge to produce a unique piece of hand drawn lettering.
